Dear Don:

Re: Logan River Distribution System

We are in the process of setting up the schedule for the annual distribution meetings for 1997. Enclosed is a copy of our proposed schedule for the meetings. We would like to hold the meeting for your distribution system on Wednesday, January 22, 1997 at 10:00 a.m. Would you please review your schedule and let us know if it will not be possible to meet at the time and date we have proposed.

If you have any questions or concerns, please contact me. Our meeting schedule will be finalized around the end of December, so I need to know as soon as possible if your scheduled date and time is a problem.

Wishing you a MERRY CHRISTMAS and a  
HAPPY NEW YEAR.
